

Atonement Lutheran Church
1144 29th Ave N., St Cloud, MN 56303

CONFIRMATION

Confirmation is the public affirmation of the promises made to and for (or by) a Christian when they were baptized, to mark a new, more mature phase in their life of faith. At Atonement, Confirmation follows a period of instruction in the scriptures, teachings, and disciplines of the Church by the pastor(s) and other faithful Christian adults, including but not limited to teachers, small group leaders, mentors, and parents. Confirmands typically receive this instruction during grades 6-9 and make their statement of faith and public affirmation of baptism in worship during the fall or spring of 10th grade. This timeline is not a rule, however; if you or a child in your care wishes to join our confirmation program, you may do so at any time (subject to background check requirements for adults).
